

A Reception for
Earliest Life: A Microbial World
Exhibit
Museum of the Rockies

January 23, 2008

5:00-6:30pm—Reception and exhibit viewing

7:00pm—*Earliest Life* Lecture by Dr. David Ward

You are cordially invited to celebrate the opening of *Earliest Life: A Microbial World*, a new feature in the Landforms/Lifeforms exhibit at the Museum of the Rockies. Please join us for hors d'oeuvres and beverages in the Museum of the Rockies lobby beginning at 5:00 PM. The exhibit will be open during the reception from 5:00 to 6:30 and for the public from 6:30-7PM. The exhibit is sponsored by the MSU Thermal Biology Institute and created by Dr. David Ward, who will be presenting a lecture about the exhibit in the Museum Auditorium at 7 PM. We hope you are able to help us celebrate this new addition to the MOR. Please call (406) 994-7775 for more information.
